

# Alaska Medical Missions 2018 Donation Form

**THANK YOU** for considering a donation to Alaska Medical Missions Benefit Auction to be held **Saturday, October 13, 2018**. Alaska Medical Missions increases the level of healthcare in developing countries all over the globe while conserving the environment by decreasing the medical waste footprint left in Alaska through an extensive medical supply and equipment recycling program.

Donations of medical supplies and equipment are received from a variety of sources throughout the state of Alaska after which they are sorted and inventoried. Supplies and equipment are then staged for shipment to clinics, hospitals and treatment facilities in developing countries. Since 1999 Alaska Medical Missions has sent hundreds of tons of medical supplies valued at millions of dollars all over the world. Your donation to help support this mission is greatly appreciated. For more information, visit [AlaskaMedicalMissions.org](http://AlaskaMedicalMissions.org)
